To search for specific names, type keywords into the search bar in your PDF reader. If a keyword search doesn't turn up expected results, it is recommended that you also scroll down into the alphabetical listings to search for the name, as the text-recognition software is not perfect.

The table of contents below can also give you an idea of where to look within the document for other kinds of information listed in the directory, like street guides, government listings, and advertisement indices. Note that the PDF page number and the original directory page numbers are different, because the color-printed advertisement pages in the directories were not numbered.

**COMFORT TO MANKIND** And since 1870 adding years to a man's life. SCHNOTER'S ARMY AND NAVY SUSPENSORY BANDAGE is the only permanent relief for VARICOCELE, HYDROCELE AND RUPTURE. Before taking notice of Startling Adver- tisements of so-called Varicocele Cures, see your family physician. Incidentally ask him about the CELEBRATED SCHNOTER'S SUSPENSORIES. Don't be surprised if he tells you that he wears one himself. Any better endorsement wanted?

**COMFORT TO MANKIND** And since 1870 adding years to a man's life, SCHNOTER'S ARMY AND  
NAVY SUSPENSORY BANDAGE is the only permanent relief for  
VARICOCELE, HYDROCELE AND RUPTURE. Before taking notice of Startling Adver-  
tisements of so-called Varicocele Cures, see your family physician. Incidentally ask him about  
the CELEBRATED SCHNOTER'S SUSPENSORIES. Don't be surprised if he tells you that  
he wears one himself. Any better endorsement wanted?

**COMFORT TO MANKIND** And since 1870 adding years to a man's life, SCHNOTER'S ARMY AND NAVY SUSPENSORY BANDAGE is the only permanent relief for VARICOCELE, HYDROCELE AND RUPTURE. Before taking notice of Starting Adver- tisements of so-called Varicocele Cures, see your family physician. Incidentally ask him about the CELEBRATED SCHNOTER'S SUSPENSORIES. Don't be surprised if he tells you that he wears one himself. Any better endorsement wanted?

**COMFORT TO MANKIND**  
And since 1870 adding years to a man's life, SCHNOTER'S ARMY AND  
NAVY SUSPENSORY BANDAGE is the only permanent relief for  
VARICOCELE, HYDROCELE AND RUPTURE. Before taking notice of Startling Adver-  
tisements of so-called Varicocel Cures, see your family physician. Incidentally ask him about  
the CELEBRATED SCHNOTER'S SUSPENSORIES. Don't be surprised if he tells you that  
he wears one himself. Any better endorsement wanted?

**COMFORT TO MANKIND** And since 1870 adding years to a man's life, SCHNOTER'S ARMY AND NAVY SUSPENSORY BANDAGE is the only permanent relief for VARICOCELE, HYDROCELE AND RUPTURE. Before taking notice of Starting Adver-tisements of so-called Varicocele Cures, see your family physician. Incidentally ask him about the CELEBRATED SCHNOTER'S SUSPENSORIES. Don't be surprised if he tells you that he wears one himself. Any better endorsement wanted?

**COMFORT TO MANKIND** And since 1870 adding years to a man's life, SCHNOTER'S ARMY AND NAVY SUSPENSORY BANDAGE is the only permanent relief for VARICOCELE, HYDROCELE AND RUPTURE. Before taking notice of Startling Advancements of so-called Varicocele Cures, see your family physician. Incidentally ask him about the CELEBRATED SCHNOTER'S SUSPENSORIES. Don't be surprised if he tells you that he wears one himself. Any better endorsement wanted?

# DENTISTRY

**T**HE modern way of doing difficult things is to divide them into parts and employ specialists on each part. This method has not been employed in dentistry because, (1) no ordinary dental practice has work enough to steadily employ specialists in each branch; and (2) there is only one branch—filling teeth—that is profitable when practiced separately. The demand for crowns, artificial teeth, etc., is so small, comparatively, that it is difficult to build up a practice in either of these specialties alone.

## **FIVE BRANCHES.**

Within recent years dentistry has grown to be a complex profession. New methods and inventions have come into use, until there are now five distinct branches, demanding skill of five distinct kinds. Many dentists undertake all five, though unable to do more than one branch properly. Naturally, four-fifths of such work is not well done; in many cases it is very badly done.

## **MY METHOD.**

My practice is large enough to enable me to employ specialists in each branch. Every man on my staff knows one department of dentistry in all its details and profits by co-operation with men who equally understand the other four. I select only operators with natural skill in a particular branch. This natural skill is enhanced to the uttermost in my office by constant practice.

Briefly stated, my method attains three important results:

- (1) Excellence and durability of work.
- (2) Ease and brevity of operations.
- (3) Reduction of cost.

Come an! talk with me personally. I make no charge for consultation.

# DENTISTRY

**M**OST dentists are careless about the pain their patients suffer, and have but a single means of avoiding it; some of one sort and some of another. When this one preventive succeeds, well and good; when it fails, the patient's protests are met with the calm assurance that nothing more can be done and the work proceeds under the most adverse conditions for both patient and operator.

## THE CADY SYSTEM.

The dentist who tries to overcome all sorts of sensitiveness with a single remedy will fail oftener than he succeeds, just as a physician would fail who prescribed a single medicine for all sorts of disease. The "Cady System" is based upon the knowledge that the conditions of dental sensibility are numerous, requiring a wide range of remedies. It embraces every method known to the profession at large, and some that are not generally known. It succeeds in making filling and crowning painless, because it takes each of the various sensitive conditions into account.

## PRICES.

A comparison of prices will show that I charge much less than most private practitioners. "But," you ask, "is the work as good?" I reply, "It is better, because no dentist who does his own work CAN achieve such excellent results as I do with my corps of specialists."

Dentistry as I practice it is a serious profession, involving education, carefulness and skill. Therefore I cannot compete in price with the ignorant, the careless, or the unskillful. But my prices are about one-half those charged by most GOOD dentists.

Send for my 44-page booklet, "Dentistry by Specialists, and Well-known People Who Recommend It."

**COMFORT TO MANKIND** And since 1870 adding years to a man's life, SCHNOTER'S ARMY AND NAVY SUSPENSORY BANDAGE is the only permanent relief for VARICOCELE, HYDROCELE AND RUPTURE. Before taking notice of Starting Advertisements of so-called Varicocele Cures, see your family physician. Incidentally ask him about the CELEBRATED SCHNOTER'S SUSPENSORIES. Don't be surprised if he tells you that he wears one himself. Any better endorsement wanted?

# RUPTURE CURED

ILLUSTRATED BOOK ON "RUPTURE" MAILED FREE  
HENRY NOLL, 775 Broadway, New York City, 22 YEARS

The Improved Elastic Truss is the only Truss in existence that is worn with absolute comfort night and day, and it retains the rupture under the hardest exercise or the severest strain, and will effect a permanent and speedy cure. Belts made to reduce corpulency. The use of these belts reduces your size and leaves no room for surplus fat to accumulate. They can be used after any operations. Our goods are not sold by agents or druggists. Lady in attendance for ladies.

ILLUSTRATED BOOK ON "RUPTURE" MAILED FREE  
HENRY NOLL, 775 BROADWAY, New York City, 22 YEARS ESTABLISHED

The Improved Elastic Truss is the only Truss in existence that is worn with absolute comfort night and day, and it retains the rupture under the hardest exercise or the severest strain, and will effect a permanent and speedy cure. ILLUSTRATED BOOK ON "RUPTURE" MAILED FREE  
HENRY NOLL, 775 Broadway, New York City. ESTABLISHED 22 YEARS

The Improved Elastic Truss is the only Truss in existence that is worn with absolute comfort night and day, and it retains the rupture under the hardest exercise or the severest strain, and will effect a permanent and speedy cure. Belts made to reduce corpulency. The use of these belts reduces your size and leaves no room for surplus fat to accumulate. They can be used after any operations. Our goods are not sold by agents or druggists. Lady in attendance for ladies.

**COMFORT TO MANKIND**  
And since 1870 adding years to a man's life, SCHNOTER'S ARMY AND NAVY SUSPENSORY BANDAGE is the only permanent relief for VARICOCELE, HYDROCELE AND RUPTURE. Before taking notice of Starting Adver- tisements of so-called Varicocele Cures, see your family physician. Incidentally ask him about the CELEBRATED SCHNOTER'S SUSPENSORIES. Don't be surprised if he tells you that he wears one himself. Any better endorsement wanted?

**RUPTURE CURED**  
ILLUSTRATED BOOK ON "RUPTURE" MAILED FREE  
HENRY NOLL, 775 Broadway, New York City, ESTABLISHED 22 YEARS

The Improved Elastic Truss is the only Truss in existence that is worn with absolute comfort night and day, and it retains the rupture under the hardest exercise or the severest strain, and will effect a permanent and speedy cure. Belts made to reduce competency. The use of these belts reduces your size and leaves no room for surplus fat to accumulate. They can be used after any operations. Our goods are not sold by agents or druggists. Lady in attendance for ladies.
